RE: Star Point Waste Fuel - Permit # C/007/042
Permit Amendment – Roads D, F & L

Dear Mr. Haddock:

SCA submitted an amendment on July 27, 2010, which was denied by the Division on September 13, 2010. Included is a re-submittal with all deficiencies addressed.

Again, in an effort to provide increased efficiency in material hauling operations, SCA is proposing an amendment to the permit to designate Roads D, F & L as primary roads intended for regular and ongoing use for haul trucks and associated use for loading and hauling of the refuse material at Star Point.

We have enclosed five copies of the drawings and text pages for your review. We look forward to receiving your approval of this amendment. If you have any questions, please call Rusty Netz or myself at (435) 888-4476.

Thank You,

Richard Carter
